

## ABOUT FORMATIONS

---

Formations Inc. is a Portland, Oregon-based firm specializing in planning, design, and fabrication/installation of interpretive exhibits and thematic interiors. Our subject areas range from natural history to social, cultural, sports and corporate history.

Among our capable and dedicated staff are interpretive planners and evaluators, exhibit and graphic designers, writers, detailers, audiovisual specialists, estimators, fabricators, and project managers. We are an experienced team of professionals, working in a highly integrated facility in order to provide our clients with excellence at each phase.

Formations applies fresh, creative thinking to each project, without preconceived solutions. We strive to design exhibits with memorable imagery and regional identity, while adhering to budgetary limits and needs for efficiency and functionality.

Throughout the project, we work closely with our clients to produce memorable educational experiences that tell your stories in unique, exciting ways.
